

THE FLIPPED CLASSROOM

The Flipped Classroom Planner

1. On which topics do I currently lecture in class?
2. Do I use PowerPoint presentations or videos for any of these lessons? If so, which one(s)?
3. What technology would I need to create this lesson?
4. With whom on campus would I need to work to create this lesson?
5. How long might this all take?
6. What other things should I consider before creating my flipped lesson?
